

APPLICATION FORM 2013

Windmill Young Actors is a 'not-for-profit' community youth company for young performers in East Sussex.

The word 'company', in a theatre context, means 'togetherness'. Every member is encouraged to find their own voice within the context of a supportive, exciting, inspiring and fun ensemble environment.

All Windmill Young Actors directors are fully cleared through their local council to work with young people.

Ben and Tanushka are both parents and encourage values within Windmill Young Actors such as mutual respect, honesty, commitment and peer mentorship and support.

Due to the vision of Windmill Young Actors (of which you can read more about on our website), we do ask that you:-

- 1) **Give us good notice wherever possible if your young actor is going to miss a session or performance.** *There is no role or part too small within an ensemble and they will be missed!*
- 2) **Pay for the term before the 2nd session of term (or 2nd session after joining us).** *We are a small company and need to be able to cover our teaching and administration costs. You can pay via BACS or cheque. Details at the end!*
- 3) **Give at least half a term's notice if you will not be continuing with Windmill Young Actors.** *This will allow us to offer the place to someone on the waiting list and plan our very limited marketing budget.*
- 4) **Chat to us if we've missed something going on in class that has negatively affected your young actor.** *This is very rare but occasionally something comes up and it really helps if we are made aware so that we can give all the support in class that is required.*
- 5) **Advise us if your young actor has any special educational needs.** *Please talk to us about any specific needs that your young actor may require.*
