Registering with us and getting on our systems

We use an online system called joinin.online. This system manages your payments, schedule, emergency contact details, communication, and much more. In order to access the online system, make payments, and check the timetable, you must activate your account either by making a purchase or clicking on the link in the invitation email. You will be asked to complete various forms, these are very important both for the safety of the attending young person and also so that we can monitor the makeup of our classes and clubs, which means we can apply for funding. This helps us to keep our prices as low as possible and open access, with unbeatable subsidised rates and over a third of our students attending for free. Thank you for taking the time to help us with this mission.

You can also buy a ThirdSpace hoodie through the website. To do so click [here](#).

How to pay for your membership

Payment is taken by Direct Debit through our payment provider, London & Zurich. Payment is taken monthly even during the school holidays, which helps to spread the cost into more manageable amounts across the year.

Subsidised rates are available to students from low income households and in various other circumstances. We operate the subsidised spaces on a 'honesty and self-certified' policy which means we leave it as an option at checkout and do not ask for proof. You will also qualify for a subsidised if you pay for another club, i.e. you're a member of more than one.

Free places in this club are also available for those on certain benefits. The following qualify for a free place:

- Income-related Free School Meals
- Disability Allowance
- Universal Credit where the overall household income (including UC) is £25,500 or less
- Young Carer
- Looked After young person
- Independent living and in financial need

THEATRE

ThirdSpace Theatre Information Sheet - Autumn 2024

If joining on a free place, proof of the above will be required.

If attending on a free place and you feel you are able to make a donation to help us continue providing free spaces you can do so via the following links. There are three ways you could donate: [£5/month](#), [£50/term](#), or a [one-off donation](#).

What to do if your young person no longer wants to attend a club - cancelling your membership

If we do not hear from you then we will assume that your young actor will be continuing each term and will therefore always hold their place.

We require two months' notice if for any reason you want to leave ThirdSpace Theatre. As we are always looking to improve our services we also ask the reason for leaving. Please contact info@thirdspacetheatre.co.uk if you would like to cancel and we will arrange that for you. Direct Debits must remain in place until the end of the notice period. If a Direct Debit is cancelled prematurely, you will be invoiced for the outstanding amount due.

Dropping off/picking up or permission to arrive and leave on their own

If your young person is walking to and from class, then we need your permission. Please do not leave young people unaccompanied outside of classes before the start of the session unless they have written permission. Please make all efforts to be punctual when collecting/dropping off your young people. Your young person will also need your permission if you wish for them to be able to leave the premises during breaks on their own.

Why attendance is so important

Your young person is a part of a company of young actors. Every member is vital and has a unique voice. Therefore, to build continuity, trust, and togetherness, we highly recommend that your young person attends all sessions. Similarly, if we are rehearsing for our Winter or Summer shows then non-attendance can have implications on how involved your young actor is in the show. If for any reason, they cannot attend a session or performance then please do let us know in advance. Obviously, this does not apply to unexpected illness.

If your young person is ill on the day then please email info@thirdspacetheatre.co.uk and include the name of the club they attend in the email title.

Who are our drama tutors?

The safety of your young people is paramount. All workshop leaders are highly experienced at working with young people and we pride ourselves on the quality of our professional directing. All workshop leaders have an enhanced DBS check.

Snacks and Drinks

Please bring water and a light snack for the mid-session break. No nuts please.

How to pay for your membership

Payment is taken by Direct Debit through our payment provider, London & Zurich. Payment is taken monthly even during the school holidays, which helps to spread the cost into more manageable amounts across the year.

Subsidised rates are available to students from low income households and in various other circumstances. We operate the subsidised spaces on a 'honesty and self-certified' policy which means we leave it as an option at checkout and do not ask for proof. You will also qualify for a subsidised if you pay for another club, i.e. you're a member of more than one.

Free places in this club are also available for those on certain benefits. The following qualify for a free place:

- Income-related Free School Meals
- Disability Allowance
- Universal Credit where the overall household income (including UC) is £25,500 or less
- Young Carer
- Looked After young person
- Independent living and in financial need

ThirdSpace Theatre Information Sheet - Autumn 2024

If joining on a free place, proof of the above will be required.

If attending on a free place and you feel you are able to make a donation to help us continue providing free spaces you can do so via the following links. There are three ways you could donate: [£5/month](#), [£50/term](#), or a [one-off donation](#).

What to do if your young person no longer wants to attend a club - cancelling your membership

If we do not hear from you then we will assume that your young actor will be continuing each term and will therefore always hold their place.

We require two months' notice if for any reason you want to leave ThirdSpace Theatre. As we are always looking to improve our services we also ask the reason for leaving. Please contact info@thirdspacetheatre.co.uk if you would like to cancel and we will arrange that for you. Direct Debits must remain in place until the end of the notice period. If a Direct Debit is cancelled prematurely, you will be invoiced for the outstanding amount due.

Dropping off/picking up or permission to arrive and leave on their own

If your young person is walking to and from class, then we need your permission. Please do not leave young people unaccompanied outside of classes before the start of the session unless they have written permission. Please make all efforts to be punctual when collecting/dropping off your young people. Your young person will also need your permission if you wish for them to be able to leave the premises during breaks on their own.

Why attendance is so important

Your young person is a part of a company of young actors. Every member is vital and has a unique voice. Therefore, to build continuity, trust, and togetherness, we highly recommend that your young person attends all sessions. Similarly, if we are rehearsing for our Winter or Summer shows then non-attendance can have implications on how involved your young actor is in the show. If for any reason, they cannot attend a session or performance then please do let us know in advance. Obviously, this does not apply to unexpected illness.

If your young person is ill on the day then please email info@thirdspacetheatre.co.uk and include the name of the club they attend in the email title.

Who are our drama tutors?

The safety of your young people is paramount. All workshop leaders are highly experienced at working with young people and we pride ourselves on the quality of our professional directing. All workshop leaders have an enhanced DBS check.

Snacks and Drinks

Please bring water and a light snack for the mid-session break. No nuts please.

Registering with us and getting on our systems

We use an online system called joinin.online. This system manages your payments, schedule, emergency contact details, communication, and much more. In order to access the online system, make payments, and check the timetable, you must activate your account either by making a purchase or clicking on the link in the invitation email. You will be asked to complete various forms, these are very important both for the safety of the attending young person and also so that we can monitor the makeup of our classes and clubs, which means we can apply for funding. This helps us to keep our prices as low as possible and open access, with unbeatable subsidised rates and over a third of our students attending for free. Thank you for taking the time to help us with this mission.

You can also buy a ThirdSpace hoodie through the website. To do so click [here](#).

Why is this club free?

This club is partially funded by grants and so we are able to offer it free to those who attend West Blatchington school.

Two out of every five young people who attend our clubs do so for free and not all of these free places are funded like this club is. If you do receive a free place and feel able then please consider donating via the following links. There are three ways you could donate: [£5/month](#), [£50/term](#), or a [one-off donation](#).

Registering with us and getting on our systems

We use an online system called joinin.online. This system manages your payments, schedule, emergency contact details, communication, and much more. In order to access the online system, make payments, and check the timetable, you must activate your account either by making a purchase or clicking on the link in the invitation email. You will be asked to complete various forms, these are very important both for the safety of the attending young person and also so that we can monitor the makeup of our classes and clubs, which means we can apply for funding. This helps us to keep our prices as low as possible and open access, with unbeatable subsidised rates and over a third of our students attending for free. Thank you for taking the time to help us with this mission.

You can also buy a ThirdSpace hoodie through the website. To do so click [here](#).

How to pay for your membership

Payment is taken by Direct Debit through our payment provider, London & Zurich. Payment is taken monthly even during the school holidays, which helps to spread the cost into more manageable amounts across the year.

Subsidised rates are available to students from low income households and in various other circumstances. We operate the subsidised spaces on a 'honesty and self-certified' policy which means we leave it as an option at checkout and do not ask for proof. You will also qualify for a subsidised if you pay for another club, i.e. you're a member of more than one.

Free places in this club are also available for those on certain benefits. The following qualify for a free place:

- Income-related Free School Meals
- Disability Allowance
- Universal Credit where the overall household income (including UC) is £25,500 or less
- Young Carer
- Looked After young person
- Independent living and in financial need

ThirdSpace Theatre Information Sheet - Autumn 2024

If joining on a free place, proof of the above will be required.

If attending on a free place and you feel you are able to make a donation to help us continue providing free spaces you can do so via the following links. There are three ways you could donate: [£5/month](#), [£50/term](#), or a [one-off donation](#).

What to do if your young person no longer wants to attend a club - cancelling your membership

If we do not hear from you then we will assume that your young actor will be continuing each term and will therefore always hold their place.

We require two months' notice if for any reason you want to leave ThirdSpace Theatre. As we are always looking to improve our services we also ask the reason for leaving. Please contact info@thirdspacetheatre.co.uk if you would like to cancel and we will arrange that for you. Direct Debits must remain in place until the end of the notice period. If a Direct Debit is cancelled prematurely, you will be invoiced for the outstanding amount due.

Dropping off/picking up or permission to arrive and leave on their own

If your young person is walking to and from class, then we need your permission. Please do not leave young people unaccompanied outside of classes before the start of the session unless they have written permission. Please make all efforts to be punctual when collecting/dropping off your young people. Your young person will also need your permission if you wish for them to be able to leave the premises during breaks on their own.

Why attendance is so important

Your young person is a part of a company of young actors. Every member is vital and has a unique voice. Therefore, to build continuity, trust, and togetherness, we highly recommend that your young person attends all sessions. Similarly, if we are rehearsing for our Winter or Summer shows then non-attendance can have implications on how involved your young actor is in the show. If for any reason, they cannot attend a session or performance then please do let us know in advance. Obviously, this does not apply to unexpected illness.

If your young person is ill on the day then please email info@thirdspacetheatre.co.uk and include the name of the club they attend in the email title.

Who are our drama tutors?

The safety of your young people is paramount. All workshop leaders are highly experienced at working with young people and we pride ourselves on the quality of our professional directing. All workshop leaders have an enhanced DBS check.

Snacks and Drinks

Please bring water and a light snack for the mid-session break. No nuts please.
